Canada Post Corporation Strategic Review
330 Sparks Street (HCCR)
Ottawa, Ontario K1A 0N5

Dear Sirs:

On behalf of the Town of Bashaw Council I wish to express the Council's concern with the lack of public participation opportunities in the upcoming Canada Post Corporation Strategic Review.

It is imperative that the Strategic Review Committee is given the opportunity to hear from all Canadians about the importance of providing an affordable postal service to everyone, no matter where they live, be it a large urban center or a small rural town like Bashaw. Our post office is of vital importance to our community, serving not only the town but our agricultural community as well.

The Town of Bashaw Council respectfully requests that we and our constituents have the opportunity to provide input during the strategic review process to ensure that our issues are given due consideration.

Thank you.

Yours truly,
