To Whom It May Concern:

RE: Strategic Review of Postal Operations

Lac La Biche County supports the continued operation of the Post Offices within its boundaries as well as rural and community Post Offices throughout Canada. Small centre Post Offices provide a vital service to all rural customers as well as providing a focal point to the community. Due to these concerns, it behooves us to request that the Committee gives serious regard to the needs of rural Canadian communities and to maintain operation of rural Post Offices.

On behalf of Lac La Biche County, I would like to express our thanks to the Committee for its consideration in this important matter.

Sincerely,

Peter Kirylchuk, Mayor
Lac La Biche County
