Canada Post Corporation Strategic Review
330 Sparks Street (HCCR)
Ottawa, Ontario
K1A 0N5

The Village of Buchanan Council has passed a resolution opposing deregulation of Canada Post and insisting that the government hold public hearings and properly consult with the true owners of Canada Post-the public.

Postal deregulation in other countries has largely led to fewer jobs, less service and higher postal rates for the public and small businesses.

Any review of our public post office should include public hearings. The government should not make any decisions about our public post office until it has properly consulted with the public.
