

To Whom It May Concern:

I have just found out about the strategic review under way.

While I'm sure you will be thoughtful in your review I, as a citizen of Canada, would like to encourage that the following:

1. Canada Post continues to hold exclusivity for addressed mail
2. That the one-price-goes-anywhere stays true
3. That Canada Post remains a crown corporation
4. That Canada Post be recognized for the incredible service they provide to Canadians

I have lived in a country (Guatemala) with a privatized (provided by a Canadian company, interestingly) national postal service and it was terrible - high costs, poor service, unavailable supplies and unhappy employees.

Thank you for accepting my email.
