Canada Post Corporation Strategic Review  
330 Sparks Street (HCCR)  
Ottawa, ON K1A 0N5

**Re: Canada Post Corporation Strategic Review**

City Council, at its meeting held on July 10, 2008, considered a letter from the Canadian Union of Postal Workers regarding Canada Post Corporation Strategic Review. Please be advised that the City of Hamilton insists that the government hold public hearings and properly consult with the true owners of Canada Post (the public).

Your consideration of this matter is appreciated.

Yours truly

Fred Eisenberger  
Mayor
