Dr. Robert Campbell
Chair, Advisory Panel
Canada Post Corporation Strategic Review
330 Sparks Street (HCCR)
Ottawa, ON K1A 0N5

Dear Dr. Campbell,

I am writing you today to express the great deal of concern brought to my attention by dozens of my constituents in regard to the possibility of partial deregulation of the Canada Post Corporation.

I share the concerns of my constituents regarding deregulation and the erosion of exclusive privilege. I believe that is in the best interest of all Canadians to protect our postal service.

Public postal service, in my view, is an essential service and any changes to this mandate should be subject to a public review.

Should you require any further information, please do not hesitate to contact my office.

Sincerely,

Maria Minna
