Canada Post Corporation Strategic Review  
330 Sparks Street (HCCR)  
Ottawa, Ontario K1A 0N5

To Whom It May Concern:

The Village of Notre-Dame-de-Lourdes council has been made aware of the Canada Post Corporation Strategic Review, which was launched on April 21<sup>st</sup> 2008, regarding the deregulating our public post office.

Postal deregulation in other countries has led to post office closures, less service, fewer jobs and higher postal rates for the public and small businesses.

The government is not holding public hearings as part of its strategic review or adequately consulting with the real owners of the post office -- the public.

The council of the Village of Notre-Dame de Lourdes strongly opposes the deregulation of Canada Post and insists that the government hold public hearings and properly consult with the true owners of Canada Post -- the public.

Jolyne Bibault
