Canada Post Corporation Strategic Review
330 Sparks Street
Ottawa, ON K1A 0N5

To Whom It May Concern:

I am writing on behalf of the Village of Pennant Council regarding the Strategic Review of Canada Post and the possibility of the deregulation of postal services. As a village in south western Saskatchewan we rely very much on our post office to provide all the shipping and receiving needs required to run our business.

If our post office closed we would have to travel out of town which would be very expensive and time consuming. Our rural post office helps keep our town alive. If our post office were to close our small town will fade away as will many small towns across the country.

Thank you for your attention to this.

Sincerely,

Brandi Trembath
